BARRY'S ADVENTURE

A cheerful pet dog adventure for the whole family
by award-winning author *Dulce Rodrigues*

BARRY'S ADVENTURE was awarded Honourable Mention at the [2013 London Book Festival](#). The story is about a pet dog, Barry, a very special dog. So special indeed that he even runs his own website - [barry4kids.net!](http://barry4kids.net)

Born and raised in Portugal, Barry lives happily in his nice house surrounded by a garden until the day his human family moves to Belgium and makes up their mind to take him with them. Barry does not like the idea of making such a long car trip; he had never been inside a car in his life! He tries to escape but gets caught and has to be resigned to his family's wishes.

When the car stops in Spain and he is put on a leash, he thinks he has had enough and decides to punish his family for what they are doing to him. He manages to get loose, and runs away... and loses track of his family...
